

Serving Genesee & Shiawassee Counties

Social Story

Voices for Children Advocacy Center is a safe place for children to talk.

This is the parking lot where you will park your car.

This is the door you will use to enter the building. Ring the doorbell and a staff member will come out.

A staff member will walk with you up this hallway

And through this doorway into our Lobby.

Our Lobby is a safe place. You can play with toys, watch T.V. and read books while you wait.

The Lobby has a window with a bell. If you have any questions you can ring the bell.

An adult will come to the Lobby through this door and walk with you right across the hall.

Across the hall they will take you through this door.

Inside the door is a safe room where you get to talk to an adult by yourself. This is called an interview.

The adult will ask you questions and listen to you. You can talk to them about anything and it is important to tell the truth. This room is a safe place.

When you are done talking you might go back to the Lobby to play while the adult you came with talks in another room.

When they are finished an adult will walk with you back out to the front door and say goodbye.

SEE YOU SOON!
